Subject – Details regarding purchase of extra hardware.

Respected sir.

With reference to above mentioned subject, I am Kiran Kadam (170101027) CSE Dept., writing this letter on behalf of group 18, CS321 Hardware lab. We need to buy some additional hardware for our project (network of cycle). Details of the same are as follows:

1) GPS Module SKG13

It is a GPS device used for tracking cycles. We need two of them.

<https://www.amazon.in/Robocraze-Module-SKG13-Arduino-Raspberry/dp/B0784LNRH9/>

2) Generic Keychain RC522 RFID Card Sensor Module to Send S50 Fudan Cards

The RFID sensor needed for scanning RFID tags.
